# STUDENT LIFE

— Herbert Land  
— Lynn Wooten

"If you compare with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself."

"Enjoy your achievements as well as your plans."

"Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time."

"Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story."

"As far as possible without  
surrender be on good terms  
with all persons. Be  
yourself."

LM

"Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings."

"Many fears are born of fatigue and loneliness."

Beyond a wholesome discipline, be gentle  
with yourself."

RP

"Go placidly amid the noise and haste,  
and remember what peace  
there may be in silence."

"You are a child of the universe, no less than the trees and the stars; you have a right to be here."

"And whether or not it is clear to you, no doubt the universe is unfolding as it should."

"Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass."

RP

"Therefore be at peace with God, whatever you consider Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul."

"With all its shame, drudgery and broken dreams it is still a beautiful world.

Be careful. Strive to be happy."

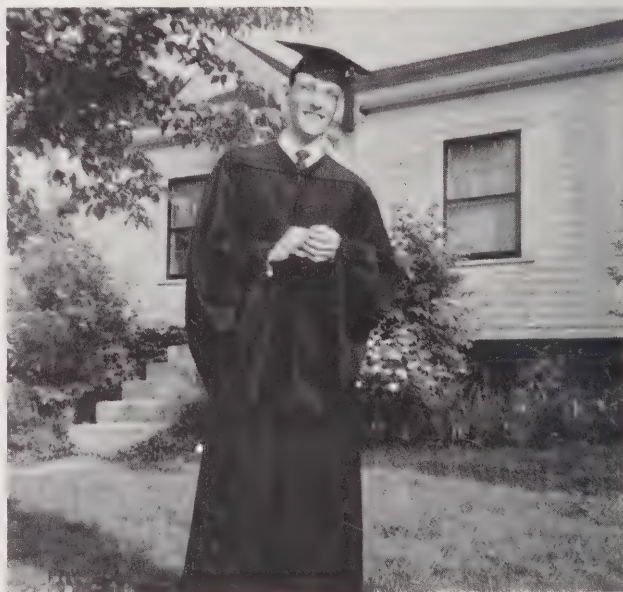

### BRUIN

This year the staff would like to dedicate the 1973 annual to a music teacher who dedicates his time and himself to showing others the joy in music; to a band director who has made the band one everyone is proud of; and to a man who strives to understand and to be friends with his students.

With much pride and pleasure we dedicate this BRUIN to:

Mr. Guyte M. Cotton
